

Down Touch
Investments (Pty) Ltd

2026

COMPANY PROFILE

Building tomorrow's infrastructure, today

COMPANY PROFILE

Our objective is to become one of the leading suppliers in the Civil Construction Industry in Southern Africa. Our goal will be to provide a concise and quality service which is scalable to allow growth across Southern Africa.

Today Down Touch Investments executes contracts involving the construction, repairs, maintenance and resurfacing of provincial and international roads, municipal streets, storage yards, parking lots, Airport taxi and runways. Most of our road work relies on the raw materials from one or more of the company's asphalt plants.

Through continual experience, Down Touch Investments has expanded its areas of operation. We are accomplished at handling contracts of all sizes.

Experienced personnel coordinate all road construction activities. Our road building management team understand the specific requirements of road construction.

We emphasize quality, timeous delivery, at competitive prices.

GOALS

EMPLOYEES

To strive to be a company of quality people who are provided with excellent opportunities to personally grow and prosper. Working in a progressive business environment, our employees will seek challenge and accept pride in jobs well done.

CUSTOMER SATISFACTION

To seek to provide quality work and products on time, in a courteous and professional manner, at a fair price. With this approach, we promote repeat business through satisfied customers and customer loyalty.

PROFESSIONALISATION

To work purpose driven to become one of the leading suppliers in the construction industry in terms of business conduct, cost performance, and market position. By dealing fairly and professionally with subcontractors, material suppliers, engineers, and other professionals, we seek association with the best companies.

OUR COMPANY

To seek to earn the public's respect as a good corporate citizen. We will strive to maintain first class physical facilities that embrace communities.

STATEMENT OF VALUES

Service to our customers, employees, communities, shareholders are the reasons our businesses exist.

IN THIS SERVICE WE DEEPLY VALUE:

TRANSPARENCY

EXCELLENCE

CONTINUOUS IMPROVEMENT

TRANSFORMATION

We commit to work together values for the common good.

SERVICES

AREAS OF EXPERTISE

Civil Construction

- Construction of new roads
- Rehabilitation of existing roads
- Installation of storm water canals
- Upgrade and construction of sewer lines
- General civil construction
- Laying of asphalt paving
- Solar

Company Owned Plant and Machinery

Our company owns all of the required plant and machinery

We have our own mechanical workshops who manage the fleet 24 hours a day.

DIRECTORS

GALLERY

Wirtgen WR250 recycling machine

Capable of foaming and bitumen

<< Computing

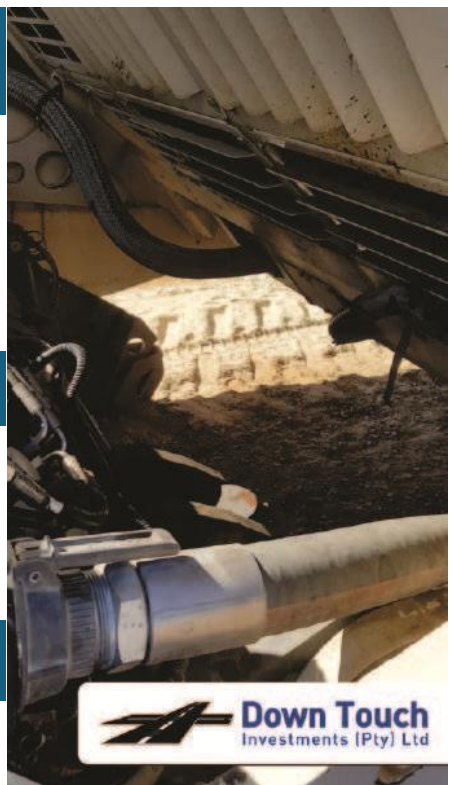

Onboard computer determines and instructs the operator on the water and bitumen input.

<< Reporting

A daily printed report informs of the materials used and the average

Spraying >>

Water spray bar and foam spray bar

Recycler >>

The water tanker being pushed by the recycler.

<< GPS

GPS base station communicates with satellites, determining the x, y, and z axis. i.e. height, width, length and depth.

<< Precision

The grader receives the measurement and trims with precision.
